## 2010 Sports For Youth Foundation Volleyball Club

To whom it may concern,

December 29<sup>th</sup> 2009

We are proud to announce that the bearer of this letter has been selected as a member of the Sports For Youth Foundation Volleyball Club. As a member of this year's club she will represent our volleyball club at various tournaments throughout the Northwest. Just being selected to the volleyball club is a testament to her hard work, love and dedication to the sport.

One of the benefits to being a member of the Sports For Youth Foundation Volleyball Club is inclusion in the Club Yearbook. The Club Yearbook is a listing of all the teams and players playing with the Sports For Youth Foundation Volleyball Club. It is also an opportunity for club members to raise some money to help pay for their volleyball expenses. For every ad that a club member sells, 80% goes into her volleyball account. As a donor, you will receive a copy of the Yearbook that will feature her and her team -- as well as your sponsorship advertisement. Not only will your advertisement be placed into the yearbook, but we will also include it on our sponsorship web-site recognizing all of the club contributors. If you have a website we will be happy to make a link to you site.

Advertising rates for the Club Yearbook are very reasonable. They range from \$50 for a 1/8 page ad (slightly larger than a business card) to \$400 for a Full-page ad. All club members have ad sizes, samples, and rates available for your inspection.

All contributions are tax deductible, so long as you make the check payable to *Sports For Youth Foundation*. Sports For Youth Foundation is a non-profit corporation registered with the State of Washington (tax ID# 91-166158). Your financial contribution will help her represent Sports For Youth Foundation Volleyball Club regionally and nationally.

We encourage all of our club members and parents to support the sponsors of our volleyball club programs.

Thank-you, for the contribution to our Yearbook.

Sincerely,

John Littleman Director,  
Sports For Youth Foundation
